4 BEDROOMS

OVERVIEW

Time together, time apart.

Face brickwork and a sheltered entrance give the Aster Traditional a classic street presence.

Inside, everyone gets a little space of their own. Three bedrooms sit at the front with their own bathroom and powder room. A second living room sits in the middle, and the main suite is tucked away at the back. That leaves the open-plan kitchen, dining and family area free to be the busy heart of the home.
