OVERVIEW

Storage where it counts.

A brick frontage, projecting hip roof and timber feature detail give the Kensley Traditional a well-proportioned, classic look.

A large walk-in pantry sits behind the kitchen, right beside the laundry, so groceries, appliances and everyday clutter have a proper home. That keeps the island kitchen, dining and family area clear and open to a covered verandah. The main suite sits at the front and three more bedrooms share their own passage, with a second living room midway for quieter nights in.
