OVERVIEW

A spot for homework.

A brick exterior and layered hip roof give the Lennox Traditional an understated, classic welcome.

A study nook beside the second living room gives homework, bills and paperwork a proper home, away from the kitchen bench. Across the back, the kitchen, dining and family areas run the full width of the house, with a walk-in pantry close by. Three more bedrooms sit through the middle with a bathroom and powder room, and the main suite is tucked away at the front, clear of the morning rush.
